

# Producer Information Sheet

Information that helps evaluate possible cooperation and prepare clearer buyer-facing product information.

|                                |                                  |
|--------------------------------|----------------------------------|
| <b>Company / producer name</b> | <b>Location</b>                  |
| <b>Contact person</b>          | <b>Email / WhatsApp</b>          |
| <b>Product categories</b>      | <b>Product list</b>              |
| <b>Packaging options</b>       | <b>MOQ / Minimum order</b>       |
| <b>Sample availability</b>     | <b>Production capacity</b>       |
| <b>Export experience</b>       | <b>Available certificates</b>    |
| <b>Analysis reports</b>        | <b>Price basis, if available</b> |
| <b>Additional notes</b>        |                                  |

## Helpful attachments

- Current product photos
- Packaging photos or specifications
- Available certificates and analysis reports
- Product specification sheets

## Cooperation note

Possible cooperation is evaluated case by case. No guaranteed sales or commercial commitment is assumed before both sides clearly agree on terms.
